Dream Job

If you could walk into your perfect job tomorrow, what would it be?

What part of the dream job can you do right now? What skills do you already have that you need to have on your dream job?

What education and training will you need to get in order to have that dream job?

What's your "Plan B" Dream Job? (Always good in life, to have Plan B, C....!)

Here's a guarantee: Starting now, you can always find a job that you feel good about!

A Winning Formula: TOPS

TALENT + OPPORTUNITY + PLANNING + SUPPORT = *Career Success*

Talent

Skills: What can I do right now?

Interests: What do I like to do now?

Settings: What places and situations make me feel most comfortable?

Opportunity

Contacts: Who do I know? Who knows me?

Research: What do I know about this kind of work?

Leads: Which employers out there can use my skills now?

Planning

Resume: Do I have one, and does it project the right "image and information"?

Action Steps: What tasks will I complete now, in 6 months, in one year....?

Follow-Through: Did I complete each task? If not, what new steps are needed?

Support

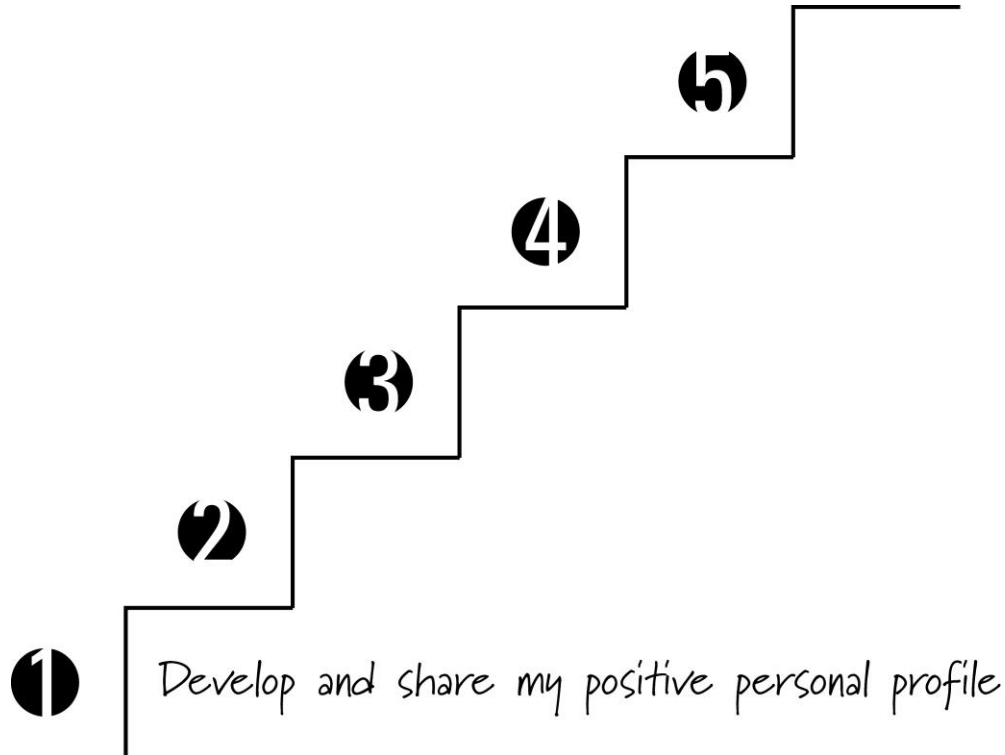

Challenges: What do I need help with?

Solutions: What can I do to handle these challenges?

People: Besides helping myself, who can I ask for help?

Next Steps
